Why Living Essentials?

The difference between religion and true Christianity, is one of them is **“Living the Essentials”** of life.

Many people give mental assent to the Church, and even to God. “Don’t just be hearers of the Word, but put it into practice” **Jas 1:22**.

The difference however was summed up by Jesus himself. He replied, "My mother and brothers are those who hear God's word and put it into practice." **Luke 8:21**

When Jesus walked on earth, He not only taught His followers and hearers about “Principles” that God desires us to live by, but by his lifestyle, lived an empowered life.

Many people “try out” Christianity, as if it were an “alternative” or a “one off event”. Christianity is much more than that. It is God’s best for mankind.

God’s Word is for us. It gives us Principles that are unchanging, despite the decline of absolutes in most societies.

We have an assurance that “Living Essentials” of the Word of God, will not only build hope and a future in us, but in our families, our towns, our cities, and our nations.

If change is to come in us, and add value to our society, it will be through individuals that live by “Conviction” and not by “Preference”. A people that are “Living Essentials” found in God’s Word.
