Assimilation

Defining and Developing Leaders

Empowering Questions – Ps Tony McKeown

In Three Sessions The Course Will Cover..

- What is assimilation?
- What are the objectives?
- Do I belong here?
- How do I invest?
- How does the vision work?
- Contact to Connection

Assimilation creates an environment in which to answer these questions and become a friend of the vision.

Assimilation is the process within the strategy!

KNOW GOD	FIND FREEDOM	DISCOVER PURPOSE	MAKE A DIFFERENCE
----------	--------------	------------------	-------------------

Effective organisations take time to define their vision and strategy, then provide a structure to develop its people.

The Assimilation programme is the beginning of our process to connect people with their God-given gifts, talents, skills and purpose.

The four questions we all ask of a Church family are:

1. AM I ACCEPTED?

This answers the question of forgiveness

2. DO I BELONG?

This answers the question of acceptance

3. IS THIS PLACE FRIENDLY?

This answers the question of caring

4. HOW CAN I INVEST?

This answers the question of ownership

ASSIMILATION DEFINITION:

To learn something so that it is fully understood and can be used to cause (a person or group) to become part of a different society, or country, etc.

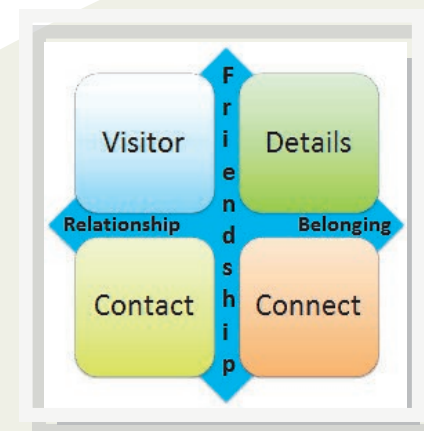

To adopt the ways of another culture to fully become part of a different society, country, etc.

WHAT ARE THE OBJECTIVES?

- To outline the strategy of assimilation.
- To provide the methodology and processes to be effective.
- To identify the roles, and service opportunities within the team.
- To provide training and team development.

DO I BELONG HERE?

Our priority is helping each person find their church home. Assimilation is our process to achieve this.

HOW DO I INVEST?

Only when we answer the question of belonging can we truly invest our time, talents and treasure. Investment moves us from an attitude of attendance to one of personal ownership.

HOW DOES THE VISION WORK?

Know God - Do you know Him?
Find Freedom - Through Ministry Groups
Discover Purpose - In Growth Groups
Make a Difference - By Service

Our vision provides a measurable and definable process for progression. From start to finish, we can evaluate progress.

CONTACT TO CONNECTION

The moment we meet a person, the process of assimilation begins. Our goal is to draw people into a meaningful relationship with Jesus; which brings freedom and purpose, expressed through service.
